Generation's School

. . . a happy place to learn

Dear Parents,
Assalamu alaikum

3rd June Update: Tentative Summer 2021 Schedule
Online Teaching & Learning Resumption Dates
Playgroup to Grade IX

As previously communicated on May 24, classes were scheduled to commence on-campus after the summer vacation. However, in view of the current health situation, the school will not be able to resume on-campus classes for now.

Accordingly, the students will resume Online Teaching and Learning (OLTL) from Monday 07 June 2021, insha'allah.

A. Online/On-Campus Assessments

The students across all grade levels will be assessed for their learning on regular basis. Final Term Assessments will be conducted online or on-campus depending on the mode of learning and the health situation in the city. The outcome of the assessments will be collated in students' overall grades and included in the Final Term Progress Report, which will be issued in July, insha'allah.

B. Attendance

Please ensure **100% attendance** to online classes and assessments to make learning successful.

C. Promotion to the Next Grade

In order for your child to be promoted to the next grade level, please make sure he/she

- learns actively during the online lessons
- attends all the online lessons regularly
- attends the online assessments regularly

D. Google Classrooms

Please visit Google Classroom to get updates. The Block Planner and other guidelines will be posted in the class Stream.

E. Requirements for Online Teaching & Learning

The physical environment, internet connectivity and proper routine at home will be critical to ensure successful learning. Please help your child organize himself/herself and prepare for the upcoming online learning. For a conducive learning environment at home, please refer to the Guidelines of Online Learning circular (available on School Website) for details.

F. Important: 100% Vaccinated Gen Drive

Generation's is taking effective measures to ensure vaccination of all staff members, and encouraging and facilitating their families for the same. We urge all parents to avail the opportunity and get vaccinated at the earliest from any of the government facilities, if not already. Please message your CNIC number to 1166 to register.

We must make full use of the opportunity and give our best to ensure a smooth transition to the end of the session in July.

Jazakallah al khayr

Ms. K. Noorani
Vice Principal, Starter & Junior Sections

Ms. U. Shakeel
Vice Principal, Middle & Senior Sections
