Creativity knows no bounds!

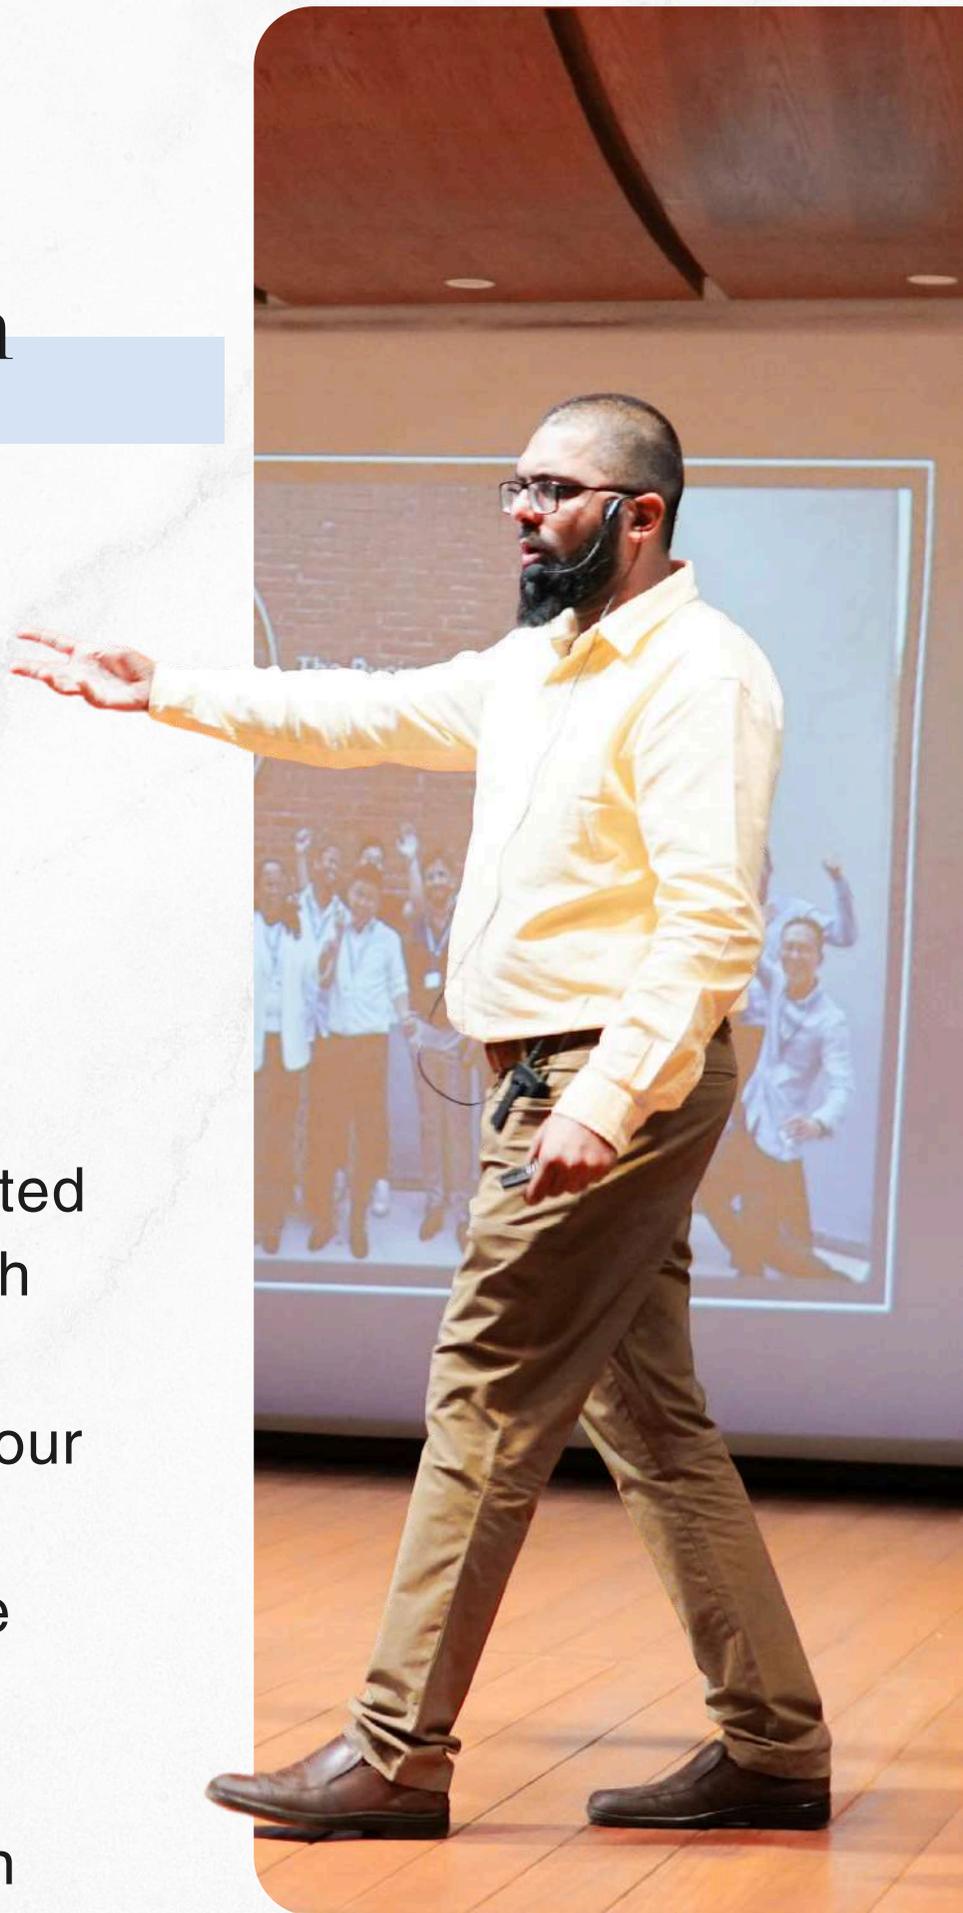

We Asked The Dean

What made this year at Generation's truly special?

And He Said...

As we marked 35 years of Generation's, this year reflected progress and purpose: growth at Generation's College, campus transformation, and our continued journey as a Lighthouse School. We move forward by preserving what matters and pursuing what is possible, with wings rooted in purpose.

#HomeOfTheShaheens

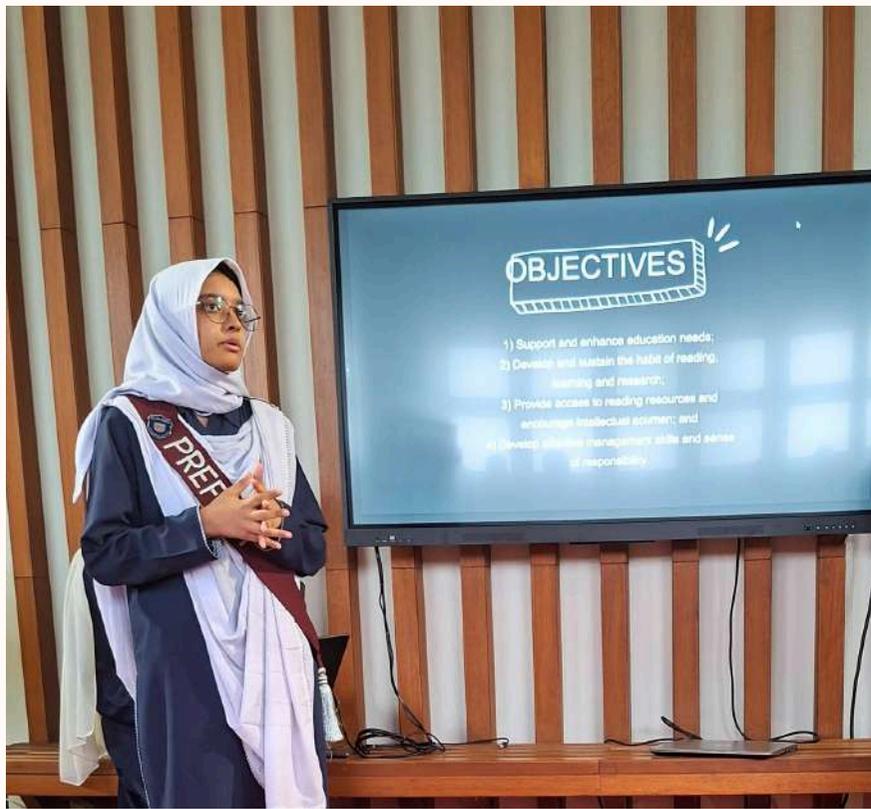

BREAKFAST BY DEAN

A warm and inspiring morning where student leaders shared ideas, reflections, and laughter over breakfast with the Dean, celebrating connection, leadership, and community at Generation's College.

College Fair

Generation's College, in collaboration with Times Consultant, hosted its 2nd College Fair, connecting A Level students with international universities. Students explored global study options, scholarships, and career pathways through insightful interactions with university representatives.

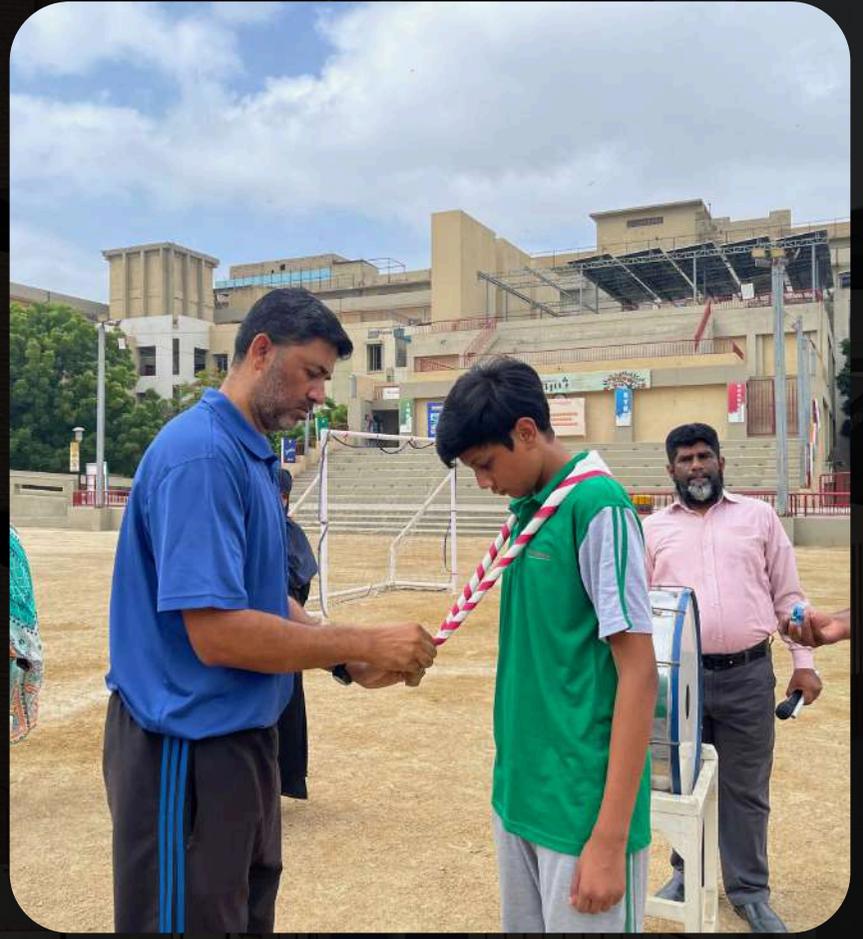

Societies Induction!

Generation's College came alive as 16 societies showcased their vision and creativity through engaging sessions and interactive displays, helping students explore, connect, and discover where they belong.

“Launch of College Core Programmes

Generation's College introduced the College Core Programme, a platform for Shaheens to explore creativity, leadership, and real-world skills through diverse electives that turn learning into purpose and action.

ELARAMUN

Winning with Impact

Generation's School secured the Best Delegation Award at ELARAMUN, with students demonstrating remarkable diplomacy, research, and teamwork. Notable achievers

include Asrosh Aftab, Antania Basit, Amna Amir, Hareem, Mustafa, Rayn, and Maryam Kashif, whose outstanding performances brought pride to the school.

CEDARMUN

Achievements

Generation's School achieved notable success at CEDARMUN, with Raamiz Faisal earning Outstanding Delegate, Ebad receiving an Honourable Mention, and Sudais, Abaan Moon, Zain Adeel, Mysha, and Ayesha Fahad securing Special Mentions for their strong performance and representation.

SENIORS

Inter-School DECLAMATION CHAMPIONSHIP

The Johar Debating Society at Generation's School organized the Inter-School Declamation Championship, bringing together talented speakers from various schools. Participants impressed the audience with their confidence, clarity, and powerful delivery.

The event was graced by Professor Dr. Saeed Khan as the Chief Guest, whose presence and words of encouragement inspired young debaters to continue pursuing excellence in public speaking.

SENIORS

3rd Inter-School SCRABBLE

COMPETITION

Generation's School hosted the 3rd Inter-School Scrabble Competition, welcoming 194 participants from leading schools.

Generians delivered strong performances across all categories: in Category A, Babar Khan placed 3rd and Muhammad Arham earned the Fancy Word Award, with six more students securing Top 10 positions; in Category B, Eshal Hasnain ranked 7th and

Iman Shahadat 10th; and in Category C, Farzam Alam claimed 5th place while Hamdan Ul Haq secured 8th.

Guided by their patrons and solid preparation, Generians competed with confidence and sportsmanship throughout the event.

M I D D L E

ECHOES OF FAITH

Nasheed Competition

The Lisaan-um-Mubeen Club hosted the Nasheed Competition 2025 on September 22, where 33 students delivered soulful, well-prepped recitations that made judging no easy task. The event spotlighted talent, confidence, and a strong connection to Islamic values.

Kudos to the Patrons and Office Bearers for pulling off a solid, impactful competition.

FUTSAL TRIALS

Grades VII and VIII completed their futsal selection trials, with shortlisted players moving into focused training for upcoming tournaments. A strong start from both groups as they advance to the next phase.

Learning BEYOND CLASSROOMS

Grade III: The Chocolate Academy

Young chefs explored the art of baking, blending creativity with teamwork as they crafted and savoured their own cookies, a sweet lesson in hands-on learning and achievement.

Grade IV: Kiran Foundation

Our Grade IV Generians connected with younger students through shared activities, reflecting empathy, teamwork, and responsibility, leading with kindness in action.

Grade V: Darul Sukun

Visiting Darul Sukun, students spent heartfelt moments with the elderly, learning that true leadership lies in compassion and service to others.

Grade VI: MagnifiScience Centre

At the TDF MagnifiScience Centre, curiosity led the way as students explored interactive exhibits, discovering that science becomes magic when experienced.

Teaching BUT MAKE IT EVOLVED

Our Junior Section teachers showed up with full energy as they explored fresh, student-centered strategies for differentiation. From new ideas to practical tools, every

moment was about making learning more inclusive, engaging, and joyful because every child learns differently, and every day is a chance to level up for them.

EMPATHY IN Action

The first Star Mentoring session brought Grade V and Grade III students together to learn, share, and grow.

Moments like these lay the foundation for empathy-driven, confident leadership.

#GreatStoriesBeginHere

The Reader in Me! 🔍

IQRA BOOK MONTH

This year's theme, "The Reader in Me," inspired Generians across all grades to celebrate stories through rhymes, Read for a Cause, No Screen Hours, and a grand Literature Day. Each day, students, teachers, and staff paused to pick up a book and share their reads.

But the highlight? Our young readers didn't just read for themselves, they read to give. The Prefect Body handed over Rs. 165,000 to Al-Nahl Society, raised by PN to Grade II students, to support underprivileged children with stationery.

At Generation's...
We read.
We lead.

S T A R T E R S

LEADERS IN ACTION

Stage. Smile. Shine.

Grade II learners lit up the stage at Inspire Fest 2025 with energy, creativity, and confidence! From reciting expressive poems to leading interactive activities with

their parents, they showcased teamwork, self-expression, and what it truly means to live “The Leader in Me.”

Paws, Claws & Curiosity

From tiny paws to fluttering wings, the Pet Show gave students a hands-on experience to connect with animals, fostering curiosity, joy, and confidence.

STARTERS

International **DOT DAY**

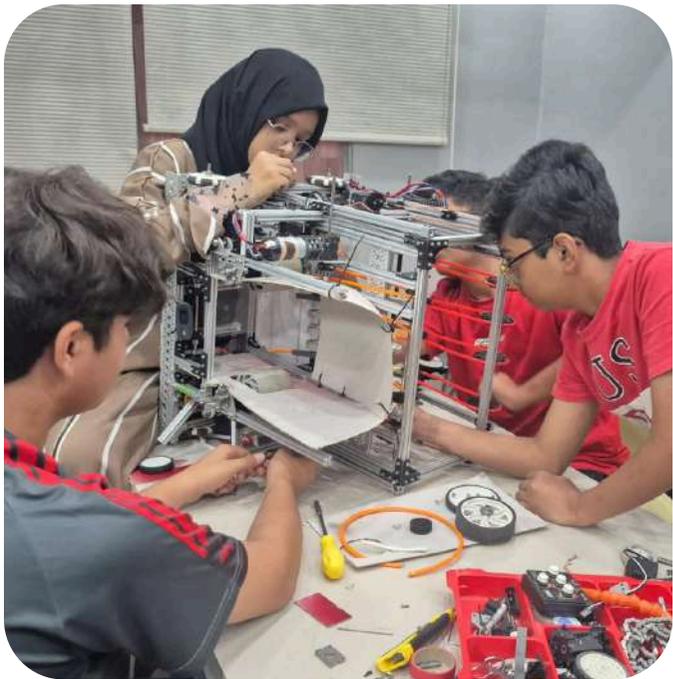

Over 250 students from Grade VI came together at the Junior Art & Design Studio under the GEN RABT initiative, illustrating how small efforts and simple acts of kindness can create something truly impactful.

Through vibrant art and collective imagination, students expressed that every mark matters and when imagination meets teamwork, every dot can inspire change.

ART WITH *Purpose*

Muskan Khalid (IX-G) represented Generation's School at the Poster Making Activity held at the Governor House, Sindh, themed "Maarka-e-Haq: Jashn-e-Azadi."

Generians Shine

Our students excelled at RoboFest '25, competing among 20 schools across categories like Hackathon, Glider, and Robotics – Hunt the Block. The Senior Section team secured First Position in Robotics, while the Middle Section team won Best One-Minute Speech.

ROBOFEST

NEXT GEN @ FGC

Four of our students, Abaan Moon (XI-W), Ahmed Adnan (XI-W), Hafsa Sarah Ahmed (X-P), and Aiza Shahadat (XI-S), will represent Pakistan at First Global Challenge 2025.

Trained through the REV Robots Program with StemX, they will compete with teams from over 190 countries, tackling this year's theme, "Eco-Equilibrium,"

Generation's also received a Special Recognition Trophy for outstanding participation and innovation.
